Indians and Pilgrims Enjoy Feasting Together!

The Kangaroos

From the Director~

We hope that each of you had a meaningful and blessed Thanksgiving. We do have so much to thank the Lord for. The staff and children at Noah's Place wish to thank the many parents, (and older siblings of our students), that lent us their helping hands to assist with our Thanksgiving Feast preparation. We also are grateful for the food contributions you all helped to provide. By the looks on the children's faces, I do believe the children had an enjoyable time preparing the food as well as eating it. Thank you volunteers for making our tenth annual Thanksgiving Feast extra special.

December and the Christmas season is always a busy month for everyone. We have been busy practicing for our Christmas program that is coming up soon. Some of you who helped with the feast already got a glimpse of how precious the children are when they are up on the stage singing. We are still in need of a few people that could help with the set and costumes. If you are able to help, please let me know.

All of us at Noah's Place hope you have a blessed Christmas as we remember the true reason for the season... that God gave to us His Son Jesus to be the Savior of the world.

*May you all have a blessed Christmas
and a Happy New Year,
Sharon Rosing*
