January 2011

Happy New Year Everyone!

Can't you still hear the animals, angels, shepherds and wise men singing? What joy our children brought to all as they presented "Twas the Night Before Christmas". We hope each of you had a blessed Christmas and New Years celebration. As we venture into the new year, we are excited as to what the Lord will be bringing our way. We have great things planned for our students and look forward to discovering a great 2011 together!

Important Information!

Regarding fall 2011 pre-registration~

Monday, January 24th through Thursday January 27th have been reserved exclusively for currently enrolled Noah's Place families who wish to pre-register their children for our Fall/winter/Spring & Summer 2011-12 sessions. Pre-registration will open to the public the following week.

Something new is in the workings! Our plan is to offer special summer camp programs that will focus on science and the arts. These camps will be offered to children 4 years of age through those that would be entering 3rd grade in the fall. More information will be available by our pre-registration week.

We are also planning a "Mom's Night Out" in early February. This will be an evening full of fun and fellowship. One that you moms won't want to miss! Be watching for your special invitation!

I want to thank each of you for the incredible support and encouragement we have felt. God has indeed blessed us with a wonderful group of families!

May you have a very Happy & Blessed New Year!
