Pancakes in your P.J.'s Day STILL a favorite!

From the Director,

Many helping hands made our 10th Annual "Pancakes in Your Pajama" day one of the children's favorite events of the year once again. From sled rides in boxes to dusting Rice Krispie snowballs with "snow", from pinning the nose on the snowman to eating those yummie pancakes, we all had a SUPER fun day! We thank each of you who helped to make that possible!

The children also enjoyed having the dentist come and share about the importance of keeping our teeth brushed and flossed.

It's hard to believe that it is February already. February marks the time when we open up our pre-registration for the summer and fall sessions to the public. We are extremely excited about the two "Adventure Camps" we will be offering this summer as well as what we have planned for the fall. If you haven't pre-registered your child yet, please do so soon as we want to be sure to ensure a place for each of them in our next sessions.

As I have the privilege of observing the children on a regular basis, I am amazed at how they are growing and maturing. It is indeed a reward to be a small part of their growing up years.

God Bless & Happy February!

Sharon Rosing
