We gave thanks to the Lord for providing a day without rain for our annual Easter egg hunt. Thanks to the many moms that came and helped to stuff, tape and hide the eggs, I do believe the children had a wonderful day. A special thank you goes to the Dunn family for providing all the stickers and candy.

From the Director-

As we are winding up this years session, I find myself saddened to see it come to an end. You see, the Lord has provided such awesome children, many of which have been part of our school since they were two. We've had the privilege of teaching them and watching them grow up. We will certainly miss all those who are graduating.

It would be so helpful if you are planning on enrolling your child for our summer or fall sessions that you let us know soon so we can let our teachers know if they will be needed or not. We hope that all the Little Lambs and Kangaroos will be coming back.

We have a great need for some improvements in our playground area. We are having a fund-raiser at Chevys Restaurant to help with this project. You can go to Chevys anytime on Thurs. May 19th, but you will need a flyer in order for it to count for us. They will be on the information table. Please take some extra to give to your friends and family. As I have said before, we thank the Lord that you have chosen our school. We love you all! May God bless each of you!

Sincerely,

Sharon Rosing
