February 2012

Pancakes in your P.J.'s Day still a favorite!

What a fun day we all had at our Pancakes in Pajama day! From making snowmen out of water bottles, tossing "sock" snow balls, to finally getting to eat snowflake shaped pancakes topped with strawberries and whipping cream, the day was full of much merriment! However, It could not have been successful had it not been for the many parent helpers. Thank you Annette, Christimiaty, Holly, Jenny, Julie, Laura, Tanya, Ivonne, and a special thank you to our kitchen queen Sarah, who not only cooked all the pancakes, but helped set up and clean up afterwards.

From the Director,

Do you realize that we are more than half way through the current school year! We have had a great year together so far and have an exciting month planned for your children. February, with Valentine's Day being our holiday always reminds me of love. We chose for our verse of the month a great command about love from Luke 10:27. It says "love the Lord your God, with all your heart, with all your soul, all your strength and all your mind". You might want to work with us to help your children memorize it.

I want to thank the families that have already turned in their pre-registration forms. We hope that all the Little Lamb's and the Kangaroos will be returning for our next session. I also want to thank our super staff. God has put together a wonderful team that not only is caringly shepherding and teaching your children, but have been a delight to work with.

We all look forward to being with your children each day as we feel God has directed each one of us to Noah's Place.

May your have a "lovely" February,

God Bless,
Sharon Rosing
